## PARENT MEETINGS

The parent meetings you see in the second week of February are very important, and it is in fact mandatory that a representative from each family be present at ONE of those meetings. This is where you will sign up for/be assigned your participation job, and be given more details about the production, and your part in it. Participation jobs include but are not limited to: backstage supervision, backstage crew, makeup, costume sewing/building, props, concessions, tickets, rehearsal supervision, t-shirt distribution, usher, program, cast party, and set painting/building.

## REHEARSAL NEEDS

Every cast member needs to bring water and a healthy snack to every rehearsal. They will have the opportunity to eat and rest during the first 20-30 minutes of rehearsal. When your child is not being rehearsed, they may have time to work on homework with the supervising parent, so please send them to rehearsal with their homework or a quiet activity. Closed-toed shoes are required at rehearsal for safety, please avoid boots, crocs, and other bulky shoes that are hard to dance in. The shoes you will need to provide for your child's costume should be black, and preferably dance shoes (jazz or ballet), which are considerably easier to move in when onstage. These can be picked up for around \$20, but are not required. If you need help finding a source for dance shoes, please let us know and we can assist you.

## TECH WEEK

Tech week is when the cast starts rehearsing with costumes, lights, sound, and sets. It is very exciting, and sometimes overwhelming. It is very important that each child is fully present for every rehearsal during their tech week, as these rehearsals are mandatory. Each cast member will need to provide their own basic makeup for sanitary purposes, this basic kit should include: foundation/base (one shade darker than their true color), black eyeliner (crayon works best), mascara (not required, but suggested), and a lip color (to be defined later). Please also pack with your child: water, a healthy snack, a robe (to put over costume while snacking), and a quiet activity to amuse them in the dressing rooms. More info will follow as we get closer to tech week.

## PERFORMANCES

As you can see on the calendar, the Rudyard and Kipling Casts will perform the first weekend, and the India Cast will perform the second weekend. We are also sharing the Theater with the cast of Into the Woods Jr., so their performances will be the same weekends, and their rehearsals will be in the evenings after Jungle Book rehearsals. Starting on April 12th we will be holding rehearsals at Hoover Theater (1635 Park Avenue, San Jose, CA 95126). Please park in the lot adjacent to the theater, and walk your child in through the front door. An adult will be ready to sign them in. Before taking your child home after rehearsal, please check back in with the parent who signed your child in, so that we may keep your children safe.

The call time for cast members is one hour before show-time, unless otherwise specified. You will see that each cast has a "reception" scheduled, please arrange for them to arrive 30 minutes before reception begins on their cast's reception day.

## LITTLE MONKEYS

Our preschool performers will be presenting the pre-show performance at matinee showings of The Jungle Book. Please email Katie@Galiotto.com for more info.
